 - When you think about the next 5 years, where do you want to be?

 - What is keeping you from going from where you are, to where you want to be?

 - Potential Areas of Ministry Leadership exercise:
 - “if you could create a role for yourself in the church, what would it be?”

 - What do you like to do?

- What do you do well?
 - How do those two things collide with how you are “designed” to create what you’re CALLED to do?
- How do you hear the voice of God?
- Have you heard God’s voice on what you’re called to do?
 - If what God called you to was outside 1) what you want to do and 2) what you feel gifted to do, what should you do?
- What is “calling” and how do we discern what ours is?
- What is our “new nature” and what is our identity in Christ?
